Mt. Edgecumbe Hospital is a modern 40-bed general medical-surgical facility in Sitka, Alaska. Accredited by JCAHO. On the full time staff we currently have nine family practitioners, two internists, three pediatricians, an obstetrician/gynecologist, otolaryngologist, two radiologists, anesthesiologist, nurse anesthetist, two optometrists, three psychiatrists, two clinical psychologists, and two general surgeons.

This physician will care for urgent care and emergency room patients of all ages and inpatients. Obstetrics is optional. Physicians who are trained in pediatrics or internal medicine will be considered if they have demonstrated experience caring for patients of all ages.

Interested applicants may send C.V. and three professional references to the Primary Care Supervisor, Dr. H. Martin Grasmeder. Email: marty.grasmeder@searhc.org
FAX (907) 966-8656. Phone (907) 966-2411.
